

# Arjun Nair

Chennai | arjun.nair@email.com | +91-9876543215

## PROFESSIONAL SUMMARY

Machine Learning Engineer with 3 years focused on computer vision and traditional ML. Limited exposure to Generative AI and LLMs.

## TECHNICAL SKILLS

Python	
TensorFlow	
PyTorch	
Computer Vision	
OpenCV	
CNN	
Some NLP	
Docker	
Kubernetes	
Limited LLM experience	

## WORK EXPERIENCE

### ML Engineer

VisionTech Systems

Apr 2022 - Present

- Developed image classification and object detection models
- Deployed CV models in production
- Attended one workshop on LLMs
- No hands-on RAG or prompt engineering experience

### Computer Vision Intern

AutoDrive Labs

Jan 2021 - Mar 2022

- Worked on autonomous vehicle perception systems
- Trained CNNs for image segmentation

## EDUCATION

B.Tech in Electronics, Anna University (2020)

## CERTIFICATIONS

- TensorFlow Developer Certificate
- Deep Learning Specialization

## KEY PROJECTS

- Face Recognition System - Production CV application
- Image Captioning (Academic) - Basic encoder-decoder model
